

SWISS TIMETABLE BOOK 2018

The Swiss Timetable of 3 Volumes published by SBB was printed for the last time in December 2016 for the year 2017.

Thanks to the initiative of the Swiss Travel Club (VCS) together with Pro Rail Switzerland (Pro Bahn) and the Swiss Association for Public Transport (IGöV) the timetable will again be printed for 2018 and also for the coming years if demand will be sufficient.

Against the past, the timetable will only be of one volume of about 0,9 kg containing all timetables for rail, mountain railways, funiculars and lake steamers, including station-list and general information. The timetables for road services (bus) will no longer be published. Rail travellers will have a handy volume for their journeys.

The price for the new timetable valid from 10 December 2017 on for the year 2018 will be CHF 19.00 plus postage. It will also be sold at about 30 main railway stations. It will be available from end November 2017 on.

FAHRPLANCENTER will continue to sell it in the shop (open every Friday 10 to 12 and 14 to 17hours) for the official price of CHF 19.00 or send it to you by post. Postal rates by Economy book-post for 2017/2018: to the UK and other European countries CHF 13.00 (different rates for Germany and France) and to all Overseas countries CHF 19.90. For delivery by air-mail rates are 50% higher. Order by email or by letter. Thank you.
